FFA OFFICERS HERE TO TOUR BATTLEFIELD

SEE PHOTO ON PAGE 3

National officers of the Future Farmers of America Sunday took time from their annual meeting in Washington to tour the Gettysburg Battlefield and conduct a program at the spot where Lincoln delivered his Gettysburg Address 96 years ago.

Under direction of H. N. Hon-sicker, R. E. Naugher and Harold Davis, program specialists for the U. S. Office of Agricultural Education, the group included four of the five national officers of the FFA, two Korean students and young people's groups from Arlington, Va.

Adin Hester, Canby, Ore., national president of FFA, was chairman for the program held in the National Cemetery after a tour of the battlefield conducted by Dr. Frederick Tilberg, National Park historian.

David Redding, Gettysburg R. D., chaplain of the Pennsylvania FF, read Scripture. Richard Lighter, supervisor of agricultural education for Adams and Franklin Counties, read the prayer offered by the Rev. Dr. Stockton, chaplain of the Senate, at the dedication of the National Cemetery on November 19, 1863. Lee Todd, Bells, Tenn., national FFA vice president, read Lincoln's Gettysburg Address. IKE FLIES TO WHITE HOUSE

President Eisenhower returned to Washington at 8:15 o'clock this morning after having joined in a Sabbath prayer paralleling his captive nations proclamation.

The President left his farm by helicopter for the 40-minute trip to the White House. He and Mrs. Eisenhower spent the weekend at their country place.

At Presbyterian services here Sunday, Eisenhower and the rest of the congregation joined the pastor in a prayer for those living under the tyranny of oppression and persecution.

The Rev. Robert A. MacAskill also prayed further for "alleviation of the plight and suffering of so many" so dominated. He made no specific mention of the President's captive nations proclamation which last week roused the ire of Soviet Premier Nikita Khrushchev and other Kremlin leaders. But the minister told newsmen after the service that his prayer was prompted by that proclamation.

After the services the President went to the Gettysburg Country Club for his third 18-hole round of golf as in many days. George Allen attended church with the President and played golf with him.

July Rains Vary, Some Farms Dry

July skies have shown a facefulness in the distribution of rainfall in Adams, some areas getting large doses while others got very little. Farmers in the Emmitsburg and Littlestown sections are looking hopefully for more rain to save their crops.

"Corn has been hurt some," County Agent Frank S. Zettle said today, "but if rain from here on is good, we will have a crop." The two dry areas had a few showers recently, Zettle said.

In the fruit areas, the rainfall has been about right, so that fruit prospects are pretty good.

Zettle described the situation as "not critical" but said that some sections need rain. "Rains have been extremely spotty," he added.

Rainfall measured in Gettysburg shows 3.37 inches so far in July. The normal for the month is 3.89 inches.

Legislature And Courts Caught In Blue Law Case

By THE ASSOCIATED PRESS
Pennsylvania's Legislature and the courts are caught in the middle of a full-blown controversy over the state's colonial-dated Blue Laws prohibiting worldly activity on Sunday.

Businessmen, religious spokesmen, labor leaders and ordinary citizens have taken sides in the dispute. At issue is a section of the law banning Sunday sales. A statewide survey by The Associated Press on the questions involved showed that:

Generally, enforcement has slackened off in most areas since the first controversy flared in Lehigh County nearly two years ago. District attorneys are waiting for the courts or the Legislature to act.

Many Are Opposed
For the most part, merchants and organized business groups—such as chambers of commerce and retail associations—are vocal in their opposition to Sunday sales.

Joint Steel Strike Talks Start Today

NEW YORK (AP) — The first joint peace talks between industry and union since the start of the nationwide steel strike open here today under the auspices of federal mediators.

Joseph P. Finnegan, director of the Federal Mediation and Conciliation Service, reiterated his warning that no early or easy settlement of the 13-day-old strike appears likely.

Finnegan, who arranged the joint talks last week, said on his arrival from Washington Sunday night: "They can't settle this strike by not talking."

Heading the negotiating teams for today's talks are David J. McDonald, president of the United Steelworkers of America, and R. Conrad Cooper, executive vice president of the United States Steel Corp.

The strike of 500,000 members of the United Steelworkers has shut down plants that produced almost 90 per cent of the nation's steel. The stoppage has idled an estimated 78,000 employees in other industries, with railroads the hardest hit.

The union's demands include a 15-cent-an-hour package increase in each year of a new contract, plus fringe benefits. The industry, rejecting the demands, contends that an increase in labor costs would force a rise in steel prices and thus help spur inflation. The union contends that industry profits and increased productivity make a wage rise possible without a price increase. Prestrike wages averaged \$3.10 an hour.

HONORMENWHO MADE UP FIRST "COMPANY K"

"Company K, 1st Pa. Reserves" Sunday afternoon honored the men for whom the local unit of the North-South Skirmish Association was named.

Cliff Arquette, local museum operator and TV star, an honorary member of the local company which seeks to recreate the Civil War unit which marched from Gettysburg in 1861 and returned in 1864 after taking part in numerous battles including Gettysburg, presented a check for \$100 to the group at the program held at the 1st Pennsylvania Reserves marker on the Wheatfield.

Curvin Heiss, first sergeant of the local company, placed a wreath at the marker. The salute was fired from Civil War muskets by the members of Company K.

G. Henry Roth Speaks

G. Henry Roth gave details of the part played by the 1st Brigade of the Pennsylvania Reserves, which included Company K, in the battle of Gettysburg.

"It is interesting to note that the 1st Brigade joined in the battle of Gettysburg on the petition of its members. The Pennsylvania Reserves under General Samuel Wiley Crawford were on duty at Fairfax Station on June 25, 1863, when the First Brigade presented their commander, Col. William McCandless, with a petition stating they understood there was going to be some fighting in Pennsylvania and they thought they should be in on it. Whether it was the petition, or the natural course of events, the brigade was ordered to Frederick where they joined the Fifth Corps on June 28. They were the rear guard for the corps as it moved to Uniontown. When the troops reached the Pennsylvania-Maryland line enroute from Uniontown to Hanover, despite the fact that the battle had already begun at Gettysburg, General Crawford took time to speak to the troops and the hands played. All cheered as they crossed the line into their native Pennsylvania.

Meade Issued Orders

The Pipe Creek Defense Line order was issued by Meade almost as soon as he took command, and established a Union line of defense with Emmitsburg and Taneytown on the west, through Union Mills in the center, to Manchester on the east, with Westminster as his base of supplies. When Lee turned south toward Baltimore and Washington he would have to attack this strong defense line, and by June 30, all troops were in place. By accident, the battle broke out at Gettysburg on July 1, and all troops moved there at once.

Move To Round Top

"Arriving at Gettysburg about 11 o'clock on July 2, the Reserves moved to the slope of Little Round Top. Part of the Reserves (Continued On Page 3)

HISTORIANS TO SEE OLD PLACE AT UNION MILLS

Historians and guests of the Civil War Institute to be held at Gettysburg College, August 2-5, will go to Union Mills, Md., on Monday afternoon, August 3, to inspect the Pipe Creek Defense Line, where Gen. George Gordon Meade expected the major battle of the 1863 invasion would take place.

The group attending the second annual institute sponsored by Gettysburg College will visit the Shriver Homestead at Union Mills, where both Confederate Gen. J. E. B. Stuart and Union Gen. George Sykes stopped within a few hours of each other on the same day, June 29, 1863, on their way north. It was at Union Mills that General Stuart learned of Union forces ahead of him on the road to Gettysburg, and attempted to circle around them by taking the road to Hanover, where he was intercepted by Union cavalry.

Wide Range On Bids

A walkway which will connect the Cyclorama - offices - museum building with the parking lot will be constructed by another contract to be let later.

Superintendent Myers said: "The greatest effort was made to determine that the new building will not intrude. The road entering from the Emmitsburg Rd. will be about 100 feet from the northern edge of the park, and will meet Hancock Ave. where it turns south at Zeigler's Grave to go along the Union Center. The parking lot will be out of sight of those looking at the field. The Cyclorama will not be seen and the wings will be down over the ridge, so as to not intrude on the Union Center area."

There will be an observation platform atop the proposed wing of the cyclorama building, but only the top of the building will be visible from the Emmitsburg Rd. thus not detracting from the view of the Union Line."

Maitland Brothers received the "go ahead" signal today and have 100 days in which to complete the project. Staking of the road and parking lot may begin today.

Other bids for the work included: West York Construction, York, \$87,540.10; Reisinger Brothers, Carlisle, \$102,896.97; Battlefield Earthmoving, Gettysburg, \$106,128.90; E. D. Plummer, Chambersburg, \$119,370.20 and Hanover Construction Co., \$145,906.86.

Hurricane Debra Causes Millions Of Dollars Loss

HOUSTON, Tex. (AP) — Communities in the water and debris-strewn wake of Hurricane Debra surveyed today millions of dollars in damages left by the wind, rain and inconvenience of the tropical storm.

Debra's path extended all the way from the Gulf coast chemical and fishing center of Freeport, Tex., into southeastern Oklahoma. She left behind smashed fishing and pleasure boats, flattened and washed out crops, shattered roofs and windows, felled trees and snarled traffic.

Industrial areas, which expected to catch some of the heaviest damage, escaped destruction.

The hardest blows with only a few hours warning from the ocean

were delivered instead to fleets of boats along the Gulf.

Small boats were swamped, shrimpers were slammed against pilings and other boats and pleasure craft were washed ashore or banged against docks and boat-houses by high and vicious tides.

Freepoint apparently suffered the heaviest damage. Mayor Jim Russell said it will total 1¼ to 1½ million dollars.

The police chief at Lamarque said damage at that Gulf coast town will total one million dollars. The 1,200,000 people in Houston saw the storm pass a few miles to the east of the South's largest city. All airline traffic was halted and train and highway travel sharply curtailed. The city escaped with minor damage.

NIXON STARTS 5-DAY SWING AROUND RUSSIA

By JOHN SCALI

LENINGRAD (AP)—Vice President Richard M. Nixon flew to Leningrad today to begin a five-day swing through parts of the Soviet Union.

Soviet Deputy Premier Frol Kozlov and his wife were among those accompanying Nixon and his wife. Also along was Georgi Zhukov, chairman of the Soviet Government Committee on Foreign Cultural Relations.

Flying ahead were two planes carrying 88 American and foreign newsmen.

Nixon's departure from the Soviet capital was preceded by a weekend visit with Soviet Premier Khrushchev during which they discussed East-West differences for six hours.

Talk Was "Helpful"

Neither side would say whether the marathon talk had boosted chances for removal of the Soviet threat to Allied forces in West Berlin. But Nixon said the long exchange was helpful "because it provided an opportunity for frank and complete discussions in a calm and objective atmosphere."

The Nixon's paid an overnight visit to the Khrushchev's big cream-colored country home, or dacha, in a wooded park about 20 miles outside Moscow. Nixon returned to the U. S. Embassy residence Sunday night and drafted a detailed report on the conversation for President Eisenhower and Secretary of State Christian A. Herter.

Herbert G. Klein, Nixon's press aide, hinted the talk did little to solve any of the major differences dividing the United States and the Soviet Union.

The meeting, sixth between Khrushchev and Nixon since the vice president arrived last Thursday, may be their last.

Long Sunday Dinner

The two leaders talked during a long Sunday dinner on a grassy, tree-shaded knoll overlooking the Moscow River. First Deputy Premier Anastas I. Mikoyan and Kozlov and their wives, and U. S. Ambassador Llewellyn Thompson and President Eisenhower's brother, Dr. Milton Eisenhower, also were at the table.

The two leaders agreed that their rough and tumble debate at the American Exposition Friday had not offended either.

The exchange, they said, was hard hitting and frank—but not belligerent. Turning to Nixon, Khrushchev asked, "Were you offended?"

"Never," replied Nixon. "Mr. Khrushchev and I have some real and honest differences but we are alike in this respect: we both came from humble families and both have a practice of speaking directly and not beating around the bush."

"I agree," Khrushchev said.

FIRE BREAKS IN LEONARD HOME

LOS ANGELES (AP)—A flash fire broke out late Sunday night in the home of boxing promoter Jackie Leonard, who on June 3 said he was beaten after receiving threats from underworld figures trying to muscle into boxing.

Leonard said he and his wife, Jeanne, and two women visitors were watching television when the fire started in a front bedroom. He said the wire screen covering of the bedroom window had been torn open.

"I called the fire department and arson squad investigators," Leonard said. "I threw several pans of water on the fire and was able to get it out before they arrived."

Second Incident

Leonard said this was the second incident at his home in the last two weeks. On July 12, he said, a gallon can half full of gasoline was found on the front porch of his home. He said gasoline had been splashed on the window sill and side of the house. Leonard was found unconscious in his garage last June 3. He said two men had attacked him. After an investigation, police expressed the opinion Leonard had blacked out and injured himself in a fall.

Earlier, Leonard had told the California Athletic Commission that underworld figures Frankie Carbo and Frank (Blinky) Palermo had threatened him in an attempt to get a part of the contract of world welterweight champion Don Jordan.

Littlestown COUPLE WEDS ON SATURDAY AT ST. JOHN'S

Miss Joann Hollinger, daughter of Mr. and Mrs. Jerre Hollinger, Manchester R. 1, Md., and granddaughter of Mrs. Allie Hollinger, Littlestown, and Richard Hersh, son of Mr. and Mrs. Walter Hersh, Manchester R. 1, Md., were united in marriage on Saturday afternoon at 2 o'clock in St. John's Lutheran Church, Littlestown. The double-ring ceremony was performed by the Rev. William C. Karns, pastor.

The traditional wedding marches were played by Mrs. Jay D. Basehoar, church organist, who presented a 15-minute recital prior to the ceremony. She was also accompanist for the soloist, Gerald Mellot. The church altar was decorated with assorted and white flowers and palms.

The bride, who was given in marriage by her father, was attired in a white ballerina-length gown fashioned by herself. The fitted bodice had short scalloped sleeves, a U-shaped scalloped neckline and the embroidered full skirt had a scalloped hemline. Her veil of silk illusion was ballerina length, and fell from a white organza headpiece. She carried an arrangement of white roses and a white Bible.

Training As Nurse

Miss Mary Louise Hollinger attended her sister as maid-of-honor and wore a light blue dress fashioned with a scoop neckline and a harem skirt. She had white accessories and carried a colonial bouquet.

The bridesmaids, Miss Jerrietta Hollinger, sister of the bride, in pink, and Miss Dorothy Mellot, friend of the bride, in mint green, wore ensembles fashioned identical to that of the maid-of-honor.

John Kauffman, Baltimore, friend of the bridegroom, was best man. Serving as ushers were Dennis Harmon, Garrison, Md., and Kenneth Barnhart, cousin of the groom, Manchester.

Immediately following the ceremony, a reception was held in the social hall of the church, with approximately 200 wedding guests in attendance. The bride and groom left on a wedding trip and, for traveling, the bride chose a black sheath dress with black patent accessories.

Mrs. Hersh was graduated from Manchester High School in 1956 and is now attending Church Home and Hospital School of Nursing, Baltimore, where she will be graduated September 4. She then plans to enter nursing. Mr. Hersh is a graduate of Westminster High School, class of 1953, and Western Maryland College, Westminster, 1957. He is presently serving in the U. S. Army and plans to enter the teaching field in the fall.

NIXON LAUDED FOR ROW WITH RED DICTATOR

LONDON (AP)—Two world statesmen bickering publicly over a kitchen sink provided an alarming spectacle for Western Europe, accustomed for hundreds of years to more formal brands of diplomacy.

If row you must, best to row behind closed doors. This was the lesson many Western European editors drew from Vice President Richard M. Nixon's verbal duel with Soviet Premier Nikita Khrushchev Friday.

"The vigorous badinage need not be taken too seriously," said Britain's liberal News Chronicle. "It was all fairly good and not too clean fun, pleasing to people who like what are rather optimistically called frank exchanges and displeasing to those who prefer more traditional forms of diplomacy."

"Outstanding Qualities" Belgium's Le Peuple said "Nixon on so far revealed outstanding qualities" in Moscow. In neighboring Holland, the vice president was praised for keeping his temper under provocation.

"Khrushchev was in rollicking form," said the London Daily Express, "but Nixon in his first essay into the Soviet gladiatorial pit acquitted himself admirably." Nevertheless, the Express maintained, the row was a telling argument in favor of secret diplomacy as the best hope for world peace.

It called the exchange a "disgraceful performance," disclosing a "lack of restraint which is completely deplorable."

Britain's conservative Daily Telegraph said the Nixon-Khrushchev tussle "raises fresh doubts whether a high-level visit does not sometimes do more harm than good."

Around the coffee houses and wine bars in neutral Austria, the sharp debate was looked upon as "somewhat undignified."

Scandinavian and German newspapers reported the squabble without comment. Paris' Le Monde called it an "oratorical joust of brutal cordiality."

TWO GET LIFE IN SLAYINGS

SAN DIEGO, Calif. (AP)—Mrs. Wanda Brodgon and her former lover, Archie Merriam, were sentenced to life imprisonment for strangling her two young sons. The Rockford, Ill. couple were convicted of first-degree murder last Thursday. The same jury fixed their punishment Sunday.

Merriam admitted he strangled Virgil Brodgon Jr., 5, and David, 3, last May 2, but said he did so at her mother's instigation. She denied it.

The prosecution sought death for both Mrs. Brodgon and Merriam. "I had expected to die," Mrs. Brodgon said. "I wanted to be with my boys."

"It's all been a horrible mistake. I loved my sons. It was all his (Merriam's) idea."

CARS ARE DERAILED

PHILADELPHIA (AP)—Traffic on the Pennsylvania Railroad's main line was disrupted for four hours Sunday after five refrigerator cars derailed.

The cars were part of a train en route to Jersey City, N. J., from Chicago with a cargo of meat and other perishables. The wreckage blocked four tracks in North Philadelphia.

RANDOLPH, N.H. (AP)—Columnist Dorothy Thompson, 65, who suffered a heart attack last week, was reported improving today at Gifford Memorial Hospital. Her physician, Dr. Elizabeth Berry, said she is "doing as well as we could ask."

NEW YORK (AP)—The city will soon begin a \$200,000 study to see if staggered working hours would reduce the subway crush. It has been proposed that firms move the working hours of half the force ahead or behind half an hour.

STATE SENATE IS TALKING OF TAKING RECESS

HARRISBURG (AP)—The possibility of a Senate recess shaped up today in view of House failure to write a tax program after nearly five months of legislative infighting.

The recess plan was disclosed Sunday night by Sen. James S. Berger, Republican floor leader, after a three-hour meeting of the GOP Senate leaders.

"We discussed the advisability of having a recess of the Senate while the House (Democratic) majority gets itself adjusted and decides something on taxes," said Berger.

Tax In Middle

The collapse of a compromise 4 per cent sales tax plan hammered out by Republican and Democratic leaders threw the tax situation into a muddle two weeks ago. House Republicans had pledged 15 votes to help pass the measure but the Philadelphia Democratic delegation withdrew its support later.

The head of the Philadelphia delegation, Rep. James J. Dougherty, last week proposed a \$35 million dollar package of business tax bills he said was worked out with U. S. Rep. William J. Green, Philadelphia Democratic chairman.

Turning to Dougherty's plan, Berger said Senate Republicans would "definitely consider it" if it reaches the upper chamber.

"But if you give business a red flag, there isn't any need for money for industrial development and other such programs," Berger added.

Favors Andrews Plan

He referred to Lawrence administration budget requests for industrial development and urban renewal funds in 1959-61.

Berger also disclosed that Senate GOP leaders favor an idea advanced by House Speaker H. G. Andrews (D-Cambria) to call a special legislative session on education. It would be held next year.

"I personally favor it and I am assured a great many others would," Berger asserted. "We could use the time to go over the state education picture completely and to work out ways to pay for the rising costs of education in Pennsylvania."

Sunday Sales In House

Other legislative developments: Sunday Sales—A Senate-Passed bill to stiffen penalties for Sunday sales prohibited under the Blue Laws comes to a vote, probably Wednesday, in the House.

Rep. Albert W. Johnson, House GOP floor leader, said over the weekend a longlist of amendments would be offered to the measure. As written, it would increase the present \$4 fine to \$100 for a first offense in selling certain types of merchandise on Sunday.

Radar—Sen. George N. Wade said he will distribute copies of a House-passed radar bill to the Highways Committee members Tuesday. The measure would legalize radar as a state police tool to check speeders.

"Worst Tax Mess"

Wade, an outspoken foe of radar legislation, said he wouldn't block "full discussion of this or any other bill in my committee." He said, however, that he considered the proposal "un-American because it means that anyone accused of a speeding violation is guilty."

Taxes—Johnson said Democrats will have to put their house in order before they can expect GOP help on a tax program.

"I think Gov. Lawrence is in the worst tax mess of any governor in my career (six terms) in the Legislature," said Johnson.

Sen. M. Harvey Taylor, independent pro tempore, said the impasse could prolong the legislative session until Christmas.

This frame house, 61½x26½ feet, is being moved by a four-man crew of Francis I. Gerrick, house mover, Littlestown R. 1, from beside St. Paul's Lutheran Church on W. King St. to the east corner of Patrick St. in Littlestown. The house, which contains four apartments and 17 or 18 rooms, is being moved from its present foundation because the adjacent alley must be widened. It is expected that the job will take five days. The house was formerly owned by the late Edward Duffner, then purchased by the borough and later by its present owner, James Herring, Littlestown.

Both the North and South were democracies. When Lincoln asked dedication that government of the people, by the people, for the people shall not perish from the earth, it was in recognition of the fact that only a union, with all the strength it implies, of all the people of the U. GROMYKO AND LLOYD CONFER AT LUNCHEON

By JOHN M. HIGHTOWER

GENEVA (AP)—British Foreign Secretary Selwyn Lloyd was reported to have sounded out Foreign Minister Andrei A. Gromyko today on whether Russia will make any cut in its terms for a Berlin deal.

Lloyd held a luncheon conference with Gromyko which lasted more than two hours.

As the East-West conference went into its ninth week of negotiations, a crowded schedule of talks also called for strategy consultations among the Western foreign ministers and a Big Four secret session at the end of the day.

No Comment

When the luncheon at Lloyd's residence ended Gromyko was asked whether there was any progress toward East-West agreement. He replied, pointing to Lloyd, "You had better ask the minister."

Lloyd had no comment.

The United States and France have been reported standing firm against British pressure to cut down on Western terms for a Berlin agreement in order to clear the way for a summit conference.

Herter Stands Fast

Associates said Secretary of State Christian A. Herter is still determined to try to get an agreement from the Soviets Andrei A. Gromyko to protect West Berlin. He is reported equally determined not to accept any deal which will put a deadline on Allied rights there.

British Foreign Secretary Selwyn Lloyd, who conferred with Prime Minister Harold Macmillan over the weekend, reportedly believes that limited assurances already offered by Gromyko are the best the West can hope for and should be accepted conditionally.

The condition, British informants said, is that the U.S.S.R. for the time being drop its demand for agreement on direct unification negotiations between the West German and Communist East German governments. All three Western powers were reported agreed that this price demanded by Gromyko for a stopgap Berlin settlement is completely unacceptable.

CASTRO MAY BE FRIENDLY WITH U. S.

HAVANA (AP)—Fidel Castro, swept back into the Cuban premiership as expected, by an enormous popular demonstration, served notice Sunday night he will be friends with the United States only if the United States does not get in his way.

The spectacular crowd estimated at nearly a million cheered wildly as he told them he would bow to "the will of the people" and resume office. The demonstration again underscored that the bearded, 32-year-old revolutionary leader is Cuba's strong man.

He asserted that Cuba is not a protectorate or colony of any other country but a free sovereign nation and "we have to account to no one."

Shouting, Cheering Throng Castro said Cuba wants to be friends with all nations but can not be with those "who offend us, who insult us and who exploit us" nor with any vested interest which tries to "impose itself on the destiny of our people."

But in 2½ hours of talk, Castro failed to mention communism by name at all. He referred to it only obliquely, when hitting at his critics, but apparently did not feel it necessary to deny their charges that he is letting the Reds influence his government.

Uptown Havana's vast Civic Plaza was packed with the shouting, cheering throng. Castro told it emotionally that from now on the "symbol of our revolution will be the machete," the long, sharp knife used for cutting sugar cane.

BRAVES BEAT PITTSBURGH TWICE SUNDAY; PHILS SPLIT

By JACK HAND
Associated Press Sports Writer

No Milwaukee burgher is hanging Fred Haney in effigy today. Nobody is whispering that Warren Spahn and Lew Burdette are over the hill. The Braves are up and at 'em again with a four-game winning streak.

Trailing the league-leading San Francisco Giants by only two games after a sweep of Sunday's doubleheader with Pittsburgh, Milwaukee seems to have snapped out of its mid-summer slump.

Spahn's emphatic five-hitter in the 4-0 opener was the Braves' third straight shutout.

Bucs In Slump

One unearned run in the fourth inning of the second game finally snapped a string of 30 2-3 scoreless innings for Pittsburgh but it didn't help much. They still lost 2-1 to Bob Buhl, making his first start since June 19 after a siege of arm trouble.

Spahn's 13th victory, the 259th of his long career, was impressive. Buhl tired after seven innings and Don McMahon finished up with two hitless innings. The Milwaukee attack still sputtered and stalled. They had only six hits in the opener while handing Bob Friend his 13th defeat. One was Johnny Logan's 12th homer. They had only five hits in the second but one was Joe Adcock's 11th homer.

Cubs Beat Giants
Bob Anderson pulled San Francisco back a little closer to the pack as he pitched the Chicago Cubs into fourth place with a 7-3 victory. The Giants' defeat and Los Angeles' 8-2 decision over St. Louis sliced San Francisco's lead to 1 1/2 games.

Cincinnati snapped Philadelphia's five-game winning streak in the first game 4-2 but Gene Conley got the Phils an even break with a 6-3 triumph in the second game when Richie Ashburn led a 14-hit Phil attack.

Anderson grew stronger as the game progressed at San Francisco while the Cubs knocked out Mike McCormick in the fifth. Ernie Banks' 27th homer with Art Schult on base helped Chicago get off to an early lead. Willie Mays hit No. 17 for the Giants.

Drysdale Homers
Don Drysdale drove in four runs with a three-run homer and a single and held St. Louis to seven hits while winning his 13th for the Dodgers. The smallest Sunday crowd of the year at the Coliseum, 14,453, saw the Dodgers break out of a hitting slump with 15 hits including homers by Drysdale and Charlie Neal.

Brooks Lawrence, taking over after Don Newcombe left because of a leg injury, beat Robin Roberts in the first game at Cincinnati. Ashburn's four singles in live trips helped hang a fourth defeat on rookie Jim O'Toole.

All three games in the Pen-Mar League Sunday afternoon were tight extra-inning affairs.

The league-leading Boonsboro sewed up at least a tie for first place by nipping Fairfield 5-4 in a 10-inning affair at Hagerstown. Boonsboro needs but one more victory to clinch the regular season title.

A two-out single by Lee Calimer in the 10th inning drove over the winning tally as Blue Ridge edged Emmitsburg 8-7 on the latter's field.

Hanover solidified its grip on second place by topping invading Taneytown 3-2 on the Hanover diamond.

PHILS BREAK '59 STREAK

CINCINNATI (AP)—The Philadelphia Phillies knew they had a good deal when they obtained Gene Conley in a trade last spring. But, after a winter of basketball with the Boston Celtics, they didn't think he had the endurance to be one of the best right-handers in the league.

Now they've changed their minds, or so they were saying in the clubhouse Sunday after Conley (9-6) pitched a seven-hitter in 90-degree heat to defeat Cincinnati in the second game of a doubleheader. The score was 6-3.

Robin Roberts (9-9) lost the opener 4-2, although he pitched an eight-hitter. The loss ended the Phillies' best winning streak of the season at five games.

In Trouble In 6th

"That big fellow," said Carl Sawatski, referring to Conley, his roommate, "soaked two uniforms with as much perspiration as the law allows. It didn't bother him a bit. He stayed right out there and battled those Reds and the heat."

Conley was in trouble only once. In the sixth the Reds scored all their runs on Whitey Lockman's double, a pair of singles, a sacrifice and a wild pitch.

Philadelphia's second-game runs came on 14 hits, four of them by Ashburn who drove in a run and scored twice himself. George Anderson, with three hits, accounted for two more runs. And Gene Freese hit his 14th homer of the season in the seventh for the final Philadelphia run.

Lawrence Stopped Phils

In the opener the score was tied 2-2 when Don Newcombe pulled a groin muscle and was replaced by Brooks Lawrence (6-9). He pitched shut out ball the rest of the game.

3 UNKNOWN PUT TRIBE BACK IN LEAD SUNDAY IN AL

By JACK HAND
Associated Press Sports Writer

Six months ago Jim Perry and Bobby Locke were as widely unknown as Jim Baxes. To suggest that these young men would be largely responsible for boosting Cleveland into the American League lead would have been courting a trip to the booby hatch.

Perry was a good prospect who just had finished a fine season in Class A at Reading, Pa. Locke was in the Army or just getting out. Baxes, packing a little age, was just another infielder in the Los Angeles Dodgers organization.

Because Perry shut out Washington with two hits 9-0 and Baxes singled home the winning run in the 12th inning for a 4-3 victory in the second game on Sunday, the Indians are back on top in the American League. Locke pitched 11 of the 12 innings before giving way to a pinch hitter and Muecat Grant, a 1958 rookie, picked up the decision.

Perry's 6th Win
Perry has all the earmarks of a real find for the Indians. Although his two-hitter was only his second start, it was his sixth victory. The fireballer from Jamesville, N. C., has been brilliant on relief. A pair of home runs by Woody Held, who had four hits, eased his way.

Locke's effort was outstanding for a 25-year-old right-hander who was sent back to the minors from the Tucson, Ariz., spring training camp. He gave up only six hits in 11 innings.

Baxes, a 30-year-old "rookie," broke up that 12-inning game with a single off Pete Ramos after Minnie Minoso doubled.

Orioles, Chisox Split

Baltimore dropped Chicago a half game behind Cleveland by winning the second game 4-0 on a combination of Milt Pappas' five-hit pitching and the hitting of Gene Woodling. The veteran outfielder had a three-run homer and drove in another run with a single. Chicago won the opener on Early Wynn's two-hitter, 4-1, and Al Smith's three-run inside-the-park home run.

Detroit dropped the New York Yankees nine games off the pace with a 1-0 victory behind Frank Lary, who has a career record of 20-5 against the Yanks. Neil Chrissy, who had one hit in 21 previous pinch-hitting appearances, lined a 10th inning pinch single off Ryne Duren for the only run.

A's Extend Streak

Kansas City ran its winning streak to seven, the longest for the club since it moved from St. Louis to Kansas City, in 1955. It was the Red Sox' sixth straight defeat.

The second game at Cleveland was a toughie for Ramos. The Cuban gave up a three-run homer to Rocky Colavito (No. 30) in the first and then blanked the Indians for 10 innings. Baxes' winning single came with two out in the 12th.

Clowns Play At L-town Tonight

The Indianapolis Clowns, world champion Negro baseball team, and the barnstorming Georgia Flyers diamond club, will clash on Littlestown Memorial Field tonight at 8 o'clock. Proceeds of the game will go to the Littlestown Little League.

Syd Pollock, founder of the Clowns, is credited with discovering Hank Aaron, Milwaukee Braves great outfielder. The present team, 30th edition of the original outfit, is said to include several outstanding big league prospects.

In the Clowns' lineup tonight will be Ross Lintinich, speedy pitcher; Louis Clark, hard-hitting catcher; Byron Purnell, 19-year-old Philadelphia, and Joe Sambrana, classy second baseman. Natureboy Williams is to play first and the ambidextrous Ulysses Grant Greene, North Carolina jitterbug champion, and the great Yogi, contortionist, are to see action.

The Clowns, who have made two appearances in Connie Mack Stadium, Philadelphia, this year, add entertaining comedy to excellent baseball, their sponsors say.

MACKAY WHIPS CONQUEROR OF ALEX OLMEDO

By RALPH BERNSTEIN
Associated Press Sports Writer

HAVERFORD, Pa. (AP)—Barry McKay says he isn't having nightmares, but he won't sleep the sleep of the contented until he's atoned for his Challenge Round Davis Cup defeat.

McKay sat on a porch overlooking the Merion Cricket Club tennis courts yesterday and talked tennis. He was pleased with his victory over Ian Vermaak for his second straight Pennsylvania State lawn tennis title.

"It's always nice to win," he said of his 9-7, 10-8, 6-0 decision over Vermaak, the South African who only 24 hours earlier straight set semifinal triumph over Alex Olmedo, the U.S. Davis Cup ace.

Worried By Defeats

"My Davis Cup defeats have been and are on my mind. I want very much to come back and play well in the Challenge Round. Yes, you might say I want to atone for my two defeats last year in Australia," he said.

McKay, who has won only one Challenge Round match in three singles attempts, and lost in his only appearance as a doubles player, hastened to remind that he has done quite well in inter-zone Cup play.

"But I know that the ones people remember are those in the Challenge Rounds. I've got to redeem myself," he said, striking the arm of his chair for emphasis.

Confident Of Victory

McKay said he was confident America would retain the Davis Cup it won finally from Australia last winter.

"I would like to play in the Cup doubles as well as in the singles," said the tall, thin resident of Dayton, Ohio, who is currently completing his military service at Mitchell Army Air Force Base, Hempstead, N.Y.

"I think Alex (Olmedo) and I could play good doubles together if we work at it. I realize that except for the National Indoors, which we won, we haven't played worth a damn so far, but we haven't really had a chance."

McKay said his immediate plans were to go to Forest Hills, N.Y., for a week's practice with Olmedo, Earl Buchholz and other top aspirants. Then he is going to Biloxi, Miss., for the world-wide Air Force tournament at the Keeler Air Force Base. He'll represent the Continental Air Command.

Other Results

Other results in the final rounds yesterday of the 60th Pennsylvania tournament saw Sandra Reynolds, South African tennis queen, sharing three titles. She defeated a countrywoman, Renee Schuurman, 1-6, 6-1, 6-4 in the first all-foreign women's singles final in the history of this tournament.

Then she teamed with Miss Schuurman to capture the women's doubles, 6-2, 6-2 over Mrs. William DuPont Jr. and Margaret Varner, both of Wilmington, Del., and with Vermaak to take the mixed doubles, 10-8, 3-6, 7-5, over Ron Holmberg, Brooklyn, N.Y., and Sally Moore, Bakersfield, Calif.

Olmedo, of Los Angeles, teamed with Buchholz to win the men's doubles in a rugged five-set match from Whitney Reed, Alameda, Calif., and Abe Segal of South Africa, 4-6, 6-3, 5-7, 6-4, 6-3.

The contest will be played at Los Angeles, Aug. 3.

Five runs in the fifth inning clinched the outcome for Manager Jim Spence's team. Mummasburg escaped a shutout by scoring in the final frame.

Jefferson retained its slim chance of tying Arendtsville by topping Hunterstown 5-1 on the winner's diamond.

LHS CLASS OF '34 GATHERS FOR REUNION

The Littlestown High School Class of 1934 held a 25th anniversary reunion on Sunday at the Kingsdale Fire Hall, adjoining Crouse's swimming pool along the Taneytown Rd., near town. Swimming was enjoyed during the afternoon and a picnic covered dish supper followed.

A brief program was also held with Chester S. Byers, president of the class when they graduated, serving as chairman. He introduced each member of the class present, reading the information which appeared in the 1934 edition of the yearbook, "The Littletonian," as an introduction. The members responded with a thumbnail sketch of their activities over a 25-year period, told what they are doing now and introduced their families.

Class statistics read by Mary Altoff revealed that class members are the parents of 23 boys and 27 girls and four members have a total of nine grandchildren; there are seven members employed in office or factory, a minister's wife, a factory supervisor, a farm loan representative, a beautician, an office supervisor, an electrician, a bank executive, three employed in a sales capacity and a newspaper reporter. One member, Ruth Crouse Dutterer, is deceased.

Letters were read from former teachers, Reida Longanecker, Annapolis; Joseph Stetser Wehler, Jersey Shore, and Lloyd L. Staveland, of town, and from class member Christine Kauffman Alexander, Cumberland, Md.

Entertainment included piano and accordion selections by Donald K. Luckenbaugh; guitar selections, Fred Blocher; piano solo, Linda Blocher; a skit by Larry, Peggy, Bobby and Gerry Altoff and recorded music. Group pictures were taken.

The following were present including the class advisor, Mrs. Golda O. Hook Collins, her husband, Jennings B. Collins, Gettysburg; coach and teacher of math and science in 1934, Harold R. Schriver, and his wife, Manheim, Lancaster County; Claude and Anna Brown Miller, Owings Mills, Md.; Mr. and Mrs. Robert E. Stover and children Marilyn and Larry, York; Fred and Arlene Trostle Blocher and children, Fred and Linda; Chester S. Byers, Mr. and Mrs. Jack H. Crouse and sons, Charles, Jack and Robert, and her mother, Mrs. Carrie Halter; A. G. and Rebecca Snyder Ealy and daughters, Edra and Linda, and guest, Leonard Potter; Donald and Helen, DeHoff Luckenbaugh and son-in-law and daughter, Mr. and Mrs. Wilbur J. Gobrecht; Sterling and Bernice Study Bachman, George and Louise Weaver Ernst and son, Allen; Paul and Mary Weaver Altoff and children, Larry, Peggy, Bobby and Gerry, all of or near town, and Glenn and Maybelle Schwartz Little and son, Keith, Gettysburg.

Preliminary plans were discussed for a banquet in the fall as a continuation of the 25th anniversary for adults only and it was decided to have the next reunion in five years. Four members of the class who live on E. Myrtle St. in Littlestown served as the committee for Sunday's affair. They were Chester S. Byers, Helen Altoff Rudisill, Arlene Trostle Blocher and Mary Weaver Altoff.

News Briefs

BERLIN (AP) — A West Berlin tabloid newspaper revived Friday the rumor that Soviet Premier Nikita S. Khrushchev is suffering from a brain tumor. The Machi-Depesche said it has learned that doctors from Czechoslovakia and France have been helping treat 66-year-old Khrushchev.

The U.S. Embassy in Moscow, the paper added, is sending a stream of reports to Washington about Khrushchev's health. The paper did not reveal the source of its report.

Similar rumors cropped up after Khrushchev visited Communist East Germany in March.

JOHNSON ON TV INTERVIEW

WASHINGTON (AP) — Bills Congress will pass before adjournment will do all that a majority of its members and the President will agree can be done now, says Sen. Lyndon B. Johnson.

Hinting strongly at a willingness to compromise, the Senate Democratic leader said he must see that the Democratic-controlled Senate avoids a legislative deadlock with the Republican Administration.

Congress must do something, Johnson added in a week radio-TV interview, even if "we won't do everything that I would like to do."

Johnson expressed his views during a radio-TV program with Sen. Leverett Saltonstall (R-Mass.) recorded for Massachusetts and Texas stations.

J. P. HANDS OUT 159 CONVICTION NOTES SUNDAY

BRISTOL, Pa. (AP)—"There's more than one way to skin a cat," figured Justice of the Peace Earl B. Dougherty. That, he said, is the theory he applied Sunday to Pennsylvania's Sunday blue laws.

Dougherty spent the day driving through Bucks County, just north of Philadelphia, handing out 159 conviction-on-sight notices. The recipients included actress Peggy Cass, two toll booth collectors, a radio announcer, numerous plant guards, a druggist, a newspaper, and the reporters and photographers following him.

"I'm actually against the Sunday blue laws," Dougherty said. "They're chaotic and outmoded and if they were strictly enforced would strangle Pennsylvania's entire economy."

Convicts Actress

"I'm a justice of the peace and it's my duty to enforce the law. So I did."

He reached the Bristol Playhouse, a summer theater, during the first act intermission and asked to see Miss Cass.

"Are you worldly employed?" he asked, after introducing himself.

"Yes," said Miss Cass.

"Are you being paid?"

"Yes."

"I hereby convict you on view for violation of the Sunday blue laws." He handed her a notice.

Must Pay \$12

"Why I've never won a thing, and I'd rather not win this," the actress joked.

But, like the others, she must, according to the notice, appear today before Dougherty and pay a \$4 fine plus \$9 costs.

Dougherty's tour came at a time when the State House is considering a Senate-passed bill increasing the fine for violating the 1794 blue laws to \$100 for the first offense and \$200 for each subsequent offense. The purpose is to discourage merchants who consider the \$4 fine a business expense.

\$594 By-Product

Dougherty conducted a similar tour last Sunday, issuing 66 conviction notices. This brought criticism from Dist. Atty. Paul Beckert of Bucks County. Beckert pointed out that Dougherty is allowed to keep the \$9 costs.

"All you have to do is multiply 66 by \$9 costs and you have \$594," Beckert said. "That's a good morning or afternoon's work."

Dougherty said the fees are only a "by-product" of what he is trying to do and not the real issue at all.

School Libraries Found Inadequate

HARRISBURG (AP)—The State Public Instruction Department says a survey it completed recently showed that Pennsylvania's public school libraries are inadequate.

Results of the study were released over the weekend by Dr. Richard A. Gibboney, the department's director of curriculum development. He said a survey of 200 of the state's high schools showed that most school libraries contain an average of only five volumes per pupil, compared with the American Library Assn. minimum recommendation of 10 per pupil. "The need for superior libraries in our high schools will become increasing urgent with the inclusion of new courses in earth and space science and world cultures," said Gibboney.

The Pulitzer prize play fashioned from the novel of the same name, "The Diary Of Anne Frank," will open a week's run at the Totem Pole Playhouse tonight introducing a new personality in the title role.

Miss Sandy Dennis, who was featured on Broadway in "The Dark At The Top Of The Stairs," will portray the young Jewish girl

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — The public argument between Vice President Richard M. Nixon and Premier Nikita Khrushchev may have given diplomats a shock but it didn't amount to much except perhaps to help both men politically at home.

They agreed Sunday their fast set-to at the American fair in Moscow Friday was just frank and hardhitting but not belligerent. It was almost like calling the whole thing good, clean fun.

All they did was hit each other over the head with propaganda where it could get the most mileage—in front of reporters and TV—since all they said to each other had been said before by themselves or their governments.

An Old Story

It was pretty much an old story except for the way it was done.

It didn't come any closer to settling anything—or making anything worse—between the United States and the Soviet Union than a high school debate between an all-American boy and an all-Russian boy, each sticking up for his own country.

Both men knew any real hope they might have for settling American-Soviet differences rested in their private talks, of which they have had several.

Nixon Under Handicap
To professional diplomats, used to washing dirty international linen out of sight and with polite palaver, the spectacle of these two high government officials stepping on each other's toes may have seemed clumsy.

But the United States and the Soviet Union both have been clumsy in the way they have handled Nixon's visit. Nixon's own government put him under a handicap and left him open to abuse before he ever got to Moscow.

There is small excuse—except on the ground of thoughtlessness—for the fact that Congress and the Eisenhower administration combined to declare last week's Captive Nations Week. This was a deliberate, anti-Communist slam, intended to remind the satellite peoples this country hadn't forgotten them.

What They Forgot
What was forgotten was that last week was also the week Nixon was to arrive in the Soviet Union and that the Russians might—as they did—take out their irritation on Nixon.

But if this was clumsy, the

Mexican Tourist Is Robbed In Tex.

DALLAS (AP)—The director of Mexico's tourist bureau has a complaint to make as a tourist in the United States.

Alfonso Garcia Gonzales, who headed a group of 50 Mexican business and professional leaders here on a good-will tour, told police Sunday a gold money clip with approximately \$2,400 in U.S. and Mexican bills was taken from his suite at the Statler-Hilton Hotel as he slept.

The theft was reported as the Dallas Police Department started observance of National Burglary Prevention Week.

Edwards AFB To Get Rocket Stand

AZUSA, Calif. (AP)—A rocket test stand eight stories high and described as the free world's largest is slated for construction at Edwards Air Force Base late this year.

Initial plans call for a stand to handle two 1,500,000-pound thrust liquid-rocket engines. Later it will be extended to support four such engines having a total thrust potential of six million pounds.

The Pittsburgh Pirates of 1959 won 30 games by one run and lost 19 by one run.

Soviets looked ever more gawky. They were incredibly clumsy.

They provided the world with living evidence of Nixon's suggestion to Khrushchev that the Soviets be afraid of ideas. Khrushchev's rejoinder — "we are telling you not to be afraid of ideas" — looked ridiculous in view of events.

Censorship Active
The Soviets insisted that more than 100 books — including the World Almanac — be taken off the shelves of the American book exhibit at Moscow.

On top of this the Soviets scrambled up the news coverage of Nixon's trip with censorship — a fact that was duly noted in the American press whose dispatches from its reporters in Moscow were delayed or chopped up.

But, while ideas unquestionably have more freedom in this country, there should be a slight pause before crowing.

It was only six years ago that the State Department — under the prodding of Sen. Joseph McCarthy (R-Wis) — went in for some book-burning among volumes on the shelves of this government's overseas libraries.

To Help Both

Nixon's ordeal in Latin America last year — when, because of anti-American feeling, he had to endure spit and stones — did him political good. It created great sympathy for him and appreciation for his political good.

Now his slug-fest with Khrushchev should do him political good here. Many Americans, fed up with Khrushchev's bluster, can easily identify themselves with him and tell themselves: "He told off that guy."

And Khrushchev could hardly lose at home by battering on Nixon. Any Russians, more concerned about their own feeling of inferiority toward the United States than the actual content of the argument, will no doubt applaud their premier for standing up to the American.

PRaise NIXON PERFORMANCE ON RUSS TOUR

By JACK BELL

WASHINGTON (AP)—Vice President Richard M. Nixon is proving himself a match for Soviet Premier Nikita Khrushchev, in the opinion of several Congress members.

Sen. Mike Mansfield of Montana, the assistant Democratic leader, said Nixon is "making the best of a very difficult and delicate situation" during his visit to Moscow.

"He is rolling with the punches thrown at him by Khrushchev," Mansfield said. "He is also sending back some good punches."

Match For Khrushchev

Sen. John Sherman Cooper (R-Ky.), a former ambassador, said in a separate interview he thinks Nixon has matched Khrushchev in "directness and toughness" in their informal, caustic exchanges.

"Nixon is doing exactly what is needed," Cooper said. "He's talking the only kind of language Khrushchev can understand."

Rep. Richard M. Simpson (R-Pa.) said in a statement that Nixon's verbal encounter with Khrushchev was "a superb example of courage and intelligence."

Sen. Everett M. Dirksen (R-Ill.), the Senate GOP leader, told a television audience he thinks Nixon has helped both himself and the nation by his actions, and added: "Frankly, I'm quite proud of his performance in the Soviet Union."

To Benefit At Home

Nixon and Khrushchev engaged in a series of spirited exchanges as they toured the American National Exposition which Nixon formally opened in Moscow Friday.

Because Nixon is all but an avowed candidate for the 1960 Republican presidential nomination, there has been a great deal of speculation in Congress about the political effect of his trip.

Mansfield, who is no Nixon rooter, said he thinks the vice president stands to benefit at home for the way he has conducted himself thus far in a decidedly cool and often hostile atmosphere.

X15 Rocket Plane Passes Final Test

EDWARDS AIR FORCE BASE, Calif. (AP)—The Air Force reports the X15 rocket plane passed its final test Friday and is ready for its first powered flight—possibly within the next two weeks.

The black, missile-like craft was filled with tons of fuel on a captive flight Friday. The 70-minute test was designed to check how fast the plane could jettison its 18,000-pound fuel load and its characteristics at its gross weight of 32,000 pounds.

The flight was made with the X15 hanging beneath the wing of a big B52 jet bomber.

VETS' ASSN. ENDS SESSION

BEAVER FALLS, Pa. (AP) —

The Pennsylvania Veterans Assn. of World I has elected Charles F. Connors of Washington, Pa., department commander.

Connors, elected Saturday, in turn named Albert H. Fleck of Harrisville, Butler County, adjutant.

Others elected included: Randall M. Clark, Altoona, senior vice commander; W. W. Wooley, Allentown, junior vice commander;

Frank E. Leifert, Huntingdon, quartermaster; William Ballinger, Beaver Falls, judge advocate; and the Rev. Roscoe Deibler, Allentown chaplain.

The association's auxiliary selected Mrs. Grace Myers president and Mrs. Margaret Brumbeck senior vice president. Both are from Williamsport.

The auxiliary also elected: Mrs. Thelma Freed, Monaca, junior vice president; Mrs. Leslie Smith, Beaver Falls, chaplain; Mrs. Hatie Hill, Donora, treasurer; Mrs. Joseph E. Murray, Charleroi, conductor; Mrs. Margaret Van Scoy, Lewistown, guard; Mrs. Lydia Neirele, Williamsport, secretary; and Mrs. Dora Herring, Pine Grove, chief of state.

Chambersburg was picked as the 1960 convention site.

CHICAGO (AP)—Dr. Dwight E. Clark, 48, chairman of the department of surgery at the University of Chicago, died Friday of a virus Mount Eaton, Ohio, came to the university in 1937 after receiving a medical degree from the University of Rochester.

TWO ESCAPED CONS HELD IN ABDUCTION

PITTSBURGH (AP)—Two escaped convicts who abducted an elderly Virginia man and held him captive for three days were summoned for a hearing today before U. S. Commissioner Fred E. Obley.

The convicts are James E. Hall, 37, of Rocky Mount, Va., and Connie E. Platt, 27, of Severn, Md.

A tip from a Washington, Pa., housewife who recognized the convicts from posters led to their arrest Saturday night.

Surrender

Mrs. Robert Beard spotted the two men walking down a street in the outskirts of Washington and telephoned police. The men, both unarmed, surrendered meekly.

Their arrest ended a search which started shortly after they freed Peter M. Nielson, 79, of McLean, Va., in the outskirts of the city.

Nielson, who once tailored suits for former president Harry S. Truman, drove his car into a service station near Washington and blurted out:

"Please help me."

The kidnappers, still clad in his pajamas, told the attendant he had been held hostage for three days. He was tired but otherwise unharmed.

Escaped From Roadgang

Nielson said the two came to his home Thursday and forced him at gunpoint to accompany them in his car. Early Saturday, they stopped near Washington and one of them told him:

"You take it from here, dad."

Both Hall, a convicted slayer, and Platt, a convicted forger, had escaped from a road gang Tuesday in Fairfax County, not far from Nielson's home.

Nielson returned home with a daughter.

HARRISBURG (AP) — Pennsylvania's church and volunteer groups are cooperating to sponsor leisure activity for migrant farm laborers bringing in the harvest, according to the Labor and Industry Department.

Secretary William L. Batt Jr., said over the weekend that sports and home-making programs are being established for adult workers and play facilities for the youngsters are being expanded.

Property Transfers

Deeds have been filed in the office of the register and recorder for property transfers as follows:

Margaret C. R. Scott and J. Hugh Scott, her husband, to William A. and M. Elizabeth Bigham, all of Gettysburg R. 2, about 16 acres in Highland Twp., \$1,000.

Richard J. and Edith K. Kibler, New Oxford, to Albert and Barbara Mundis, York, property in Hamilton Twp., \$5,000.

Earl S. Bittinger and Robert C. Krug, as executors and trustees under the will of C. H. Bittinger, late of Berwick Twp., to Roy and Anna Laughman, Hanover R. 4, property in Berwick Twp., \$1,200.

CITES LOSSES BY INACTION

HARRISBURG (AP)—Gov. Lawrence says legislative inaction on his 1959-61 budget has caused 700 beds for mental patients to go unused in a new wing at Embreeville State Hospital, Chester County.

In a weekend statement, Lawrence branded the situation as "one of the major tragedies" of the impasse on taxes. "Every day that we lose is a day lost in the life of thousands of mentally ill whom the state could cure and return to a full and useful life."

Dr. John E. Davis, state mental health commissioner, said \$192,803 is needed to equip the \$9,923,391 wing at Embreeville. Another \$1,500,000 is required for staff salaries for the next two years, he added.

Both items are included in budget proposals for mental hospitals now before the Legislature.

Davis said the beds are needed to relieve overcrowded conditions at the Byberry and Norristown State Hospitals. He said that without the additional beds Embreeville has accommodations for 801 patients. There are 764 patients currently occupying the hospital.

NOT AWOL AT ALL

TUCSON, Ariz. (AP) — Officials at Davis-Monthan Air Force Base appealed to the sheriff's office to help find an AWOL airman. Deputy Bob Southerland found the airman in the base hospital.

Bottom Of Ocean Is Earth's Most Inaccessible Area; Much Of Sea's Floor Is Unexplored

By LEONARD ENGEL
Copyright, 1959,
By THE ASSOCIATED PRESS
ABOARD RESEARCH VESSEL
VEMA (P)—The most inaccessible region on earth is the bottom of the ocean.

Submarines have gone as deep as 1,000 feet. The bathyscaphe—a special vehicle for deepwater diving—has been down to 13,000 feet. Vast reaches of the ocean are 18,000 feet deep or more. In the Marianas Trench west of Guam, British and Soviet research ships have sounded the almost unbelievable depth of 36,000 feet—deep enough to bury Mt. Everest, with a mile and a quarter to spare.

Saving Up Secrets
In spite of its inaccessibility, the ocean floor is being made to reveal its secrets. Submarine mountains more massive than any on land; canyons dwarfing the Grand Canyon of the Colorado; plants that stretch for hundreds of miles without a rise of as much as a foot; delicate starfish and other forms of life marvelously adapted to the dark, near-freezing waters and thousands of - of - pounds - per - square - inch pressures of the ocean floor.

Oceanographers visit this strange, hidden world with the eyes, ears and hands of science—instruments that can go places and do things impossible to man himself. While I was aboard the Columbia University research ship Vema, one or another device for exploring the ocean bottom was constantly in operation.

Vema and three other ocean research craft were trying to find a good drilling site as the first step toward a historic sea-exploration project: the bold Mohole scheme for drilling a hole through the earth's crust beneath the sea.

Will Take Months
"We won't know for some months whether a good place for the Mohole has been found," declares Dr. Arthur Maxwell of the Office of Naval Research, co-sponsor, with the National Science Foundation, of the Mohole survey.

A key bottom-exploration pool is the echo depth finder, an ear that hears the depth of the water. Another device, the thermogad, can be put down to the bottom to feel and record temperatures within the ocean floor, and tell, for instance, whether volcanic activity is taking place near by. An

eye for viewing the ocean floor is furnished by the bottom camera.

Piston Corer Useful
But the most striking tool for probing the bottom is a 40-foot piece of steel pipe surmounted by a finned weight shaped like a fore-shortened rocket. This is the piston corer. Gravity and an ingenious piston arrangement drive it up to 80 feet into the ocean floor and punch out rod-shaped samples of the layers of mud and sediment forming the sea bottom.

Cores brought back by the 13-ton machine reveal not only the nature of the ocean floor but hidden chapters from earth's book of history.

During the Mohole survey, Vema averaged a core every other day. Analyzing the core samples will take several months.

The corer often comes up badly bent from its jarring encounter with the ocean bottom. Moreover, there is the ever-present possibility of the cable breaking—an accident that at least means loss of the corer and thousands of feet of snarled cable, and can send the cable whipping across the deck like a lethal snake.

HANDICAPPED BOY SHOTS HIS PARENTS

TUCUMCARI, N.M. (AP) — A handicapped 13-year-old boy was held for psychiatric examination today after he shot his father and mother with a high-powered rifle.

Gordon Ellis, a hare-lipped cripple with a cleft palate, told officers he used a 30-30 rifle on his sleeping parents because:

His father had "bawled him out" for failing to run an errand.

His parents had refused to buy him a motor scooter, and

Asks About Spanking
They wouldn't let him go to his grandmother's home to watch television.

His father, Ted Ellis, and mother, Charlotte, lay in Tucumcari General Hospital in serious condition. The father was shot in the cheek and left shoulder, Mrs. Ellis in the right shoulder and hip.

SAYS TEACHER AND TOPIC FIX CLASS QUALITY

HARRISBURG (AP)—Pennsylvania's public instruction superintendent has challenged the claim that smaller classes always produce better education.

Rather, Dr. Charles H. Boehm insisted Sunday:

"It is the teacher and the subject, not the class size, that are fundamental to quality."

"One outstanding teacher can teach more to 100 students than five mediocre teachers can to smaller classes of 20 each."

Lists Some Subjects
Boehm added that "larger classes in certain subjects can save money and permit smaller classes in other subjects that require them."

He said the highest educational costs are in the secondary school system in which the average high school class has 27 pupils.

"If we increase the size of the classes in certain subjects while reducing it in others we can raise

S. W. Calkins Buys Ambridge Daily

AMBRIDGE, Pa. (AP) — Daily circulation of newspapers owned or controlled by S. W. Calkins of Uniontown, Pa., will soon exceed 100,000.

Calkins purchased the Ambridge Daily Citizen Friday from Mrs. I. E. McNeese, president of the Ambridge Publishing and Printing Co.

Calkins, president and publisher of the Beaver Valley Times, will assume publication of the Ambridge paper Aug. 3.

He also is president and publisher of newspapers in Uniontown, Doylestown, Bristol and Levittown, Pa., and Levittown, N.J.

NEW YORK (AP)—Harold E. Janis, 52, former newsman who had produced the Sid Caesar television program since 1950, died Wednesday of a heart attack. He was vice president and executive producer of Shellrick Corp., producing firm for the Caesar programs.

This figure, perhaps to 32, Boehm said in a statement.

Subjects which Boehm believes lend themselves to larger classes include English literature, history, social studies, science theory and health.

NEW MEXICO TOWN GETS WATER AGAIN

ROY, N.M. (AP)—Water flowed haltingly, but flowed, into the homes of this thirsty little New Mexico town for the first time in more than five days today, but a new problem has arisen for village officials.

How to pay for a new pump which the town purchased to push water through a leaky seven-mile water main from the town's town wells to its bone-dry storage tank? "I haven't figured that out yet," said Mayor Robert Keirsey.

A combination of two faulty pumps and a leaky seven-mile water main of low-grade wartime pipe — caused the town's storage tank to go dry last Wednesday.

Roy had money, but none of it could be used for new water works equipment because of a state law which prevents the transfer of earmarked funds.

The state couldn't help because the fund for village emergencies was available only to unincorporated ones. Roy is incorporated.

Many of the 750 villagers worked most of Sunday installing the new pump and patching holes in the leaky main.
